

# 10000mAh MagSafe Powerbank with Built in Type-C & Lightning Cables

Introducing the compact **10,000mAh MagSafe Powerbank** that combines convenience and efficiency. With 15W wireless charging, MagSafe compatibility, and two built-in cables, it's a versatile solution for staying powered on the go. The built-in Lightning cable can keep your Apple devices powered alongside the Type-C Fast Charging cable, capable of both power input and output. The LED Digital Display keeps you up-to-date on your powerbanks battery usage, making this power bank the perfect companion for your daily commutes. With branding options like full colour print and unique LED engraving, this is the perfect premium product for any brand.
