

LED RING LIGHT

Introducing the 2-in-1 Streaming Ring Light! This ring light is the perfect partner for modern life and work, illuminate your zoom calls or use as lighting for photography, live-streaming or selfies! Find the right lighting for you with 3 different lightning modes; Warm, Cold and White. The no-scratch clamp securely clips the ring light onto your laptop/tripods without leaving any marks, whilst being able to rotate 360 degrees to help you find the perfect angle. No battery needed, works with most devices that support USB like laptops, power banks and USB chargers.
