

# Bamboo Bottom Cup

The bamboo bottom cup not only boasts a large branding area, but also comes in a recognisable coffee cup shape and features a bamboo lined base, giving it a desirable eco-friendly look and feel. The reusable cup features a double-walled insulated SUS 304 stainless steel body, keeping your beverages hot or cold for hours. The cup has a generous capacity of 500ml, which can be easily refilled throughout the day. The cup can be fully wrap printed or wrap engraved, making it a ideal for any brand looking for a reusable cup with a sustainable finish.
