

Cork Wireless Charging Phone Stand

Wirelessly charge your Qi enabled devices on your bedside table or desk with the Cork Wireless Charging Phone Stand, bringing a eco-friendly look and feel to modern technology. This wireless charger can be folded into a phone stand with two different height options- the first height to charge with your phone in portrait and another height to charge your phone in landscape. The phone stand can also be completely folded in half for easy compact storage. The sustainable cork exterior can be printed on 3 sections of the phone stand, achieving eye-catching branding for this unique eco-friendly wireless charger.
