

Introducing the most visually pleasing, entertaining, and feature-packed little speaker you can get- the Divoom DITOO bluetooth speaker, alarm clock, retro designed desktop companion! The keys on the DITOO are unique backlit mechanical keyswitches, accompanied with the bright colours on the 16 x 16 pixel screen which adds to the retro computer design.

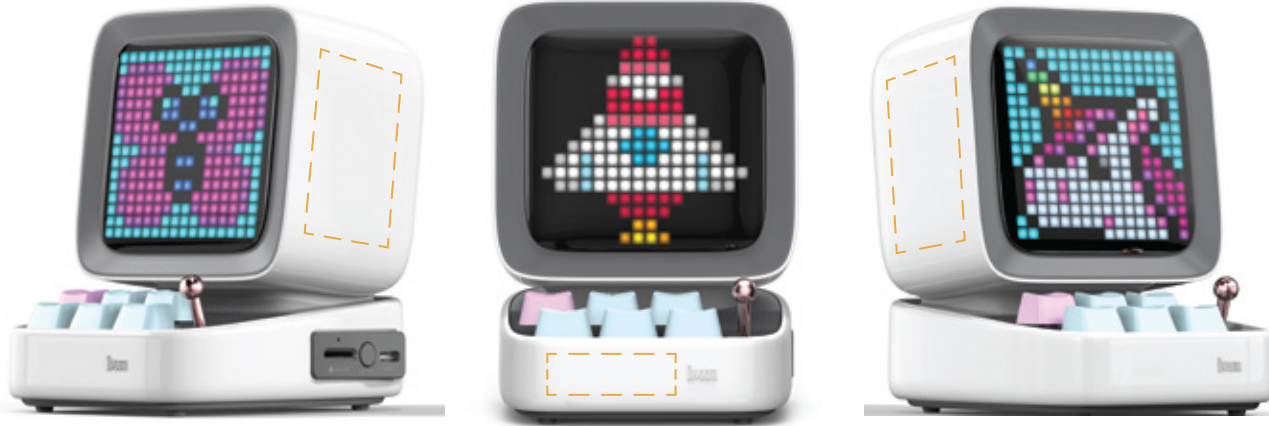

Pair your DITOO with the Divoom app to change the settings and add your custom pixel art or download designs created by other users. The DITOO comes in an array of eye catching colours and can be branded on the front and sides of the device, making it a great promotional gift.

- ✔ Advanced acoustic hardware & technology all tuned by the Divoom audio engineers
- ✔ Never miss an important message, with notifications and entertainment features
- ✔ Enhance your creativity and interact with the pixel art community
- ✔ Other features including radio, hands-free calling, DJ Music Mixing and so much more
- ✔ Lead Time: 2-3 Weeks
- ✔ MOQ: 10 units
