

DRINK MORE. REMINDER COASTER

• 20 MINUTE REMINDER • LED LIGHTS & CHIME •

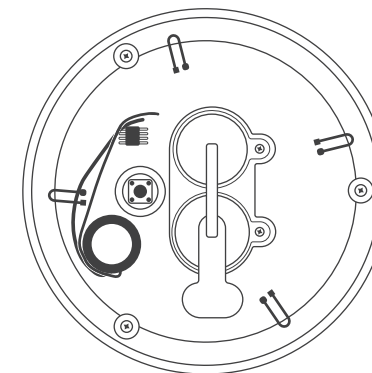

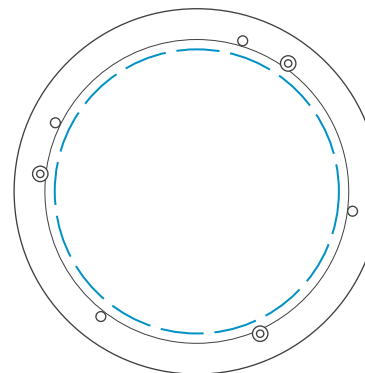

Keep on top of your hydration needs and improve your drinking habits with the Drink More Reminder Coaster! The Drink More coaster features LEDs and a chime to get your attention when its time to hydrate. Simply pop your drink on top to begin the 20 minute countdown!

Using a pressure sensitive switch, the reminder coaster will begin its 20 minute countdown once a cup has been placed on top. After the 20 minutes, the LED will flash 3 times, the chime will ring and the LED will stay on. If the pressure switch is still down after 15 seconds, another chime will ring and after a total of 30 seconds later, the LED will turn off.
