

# MAGNETIC KEY HOLDER

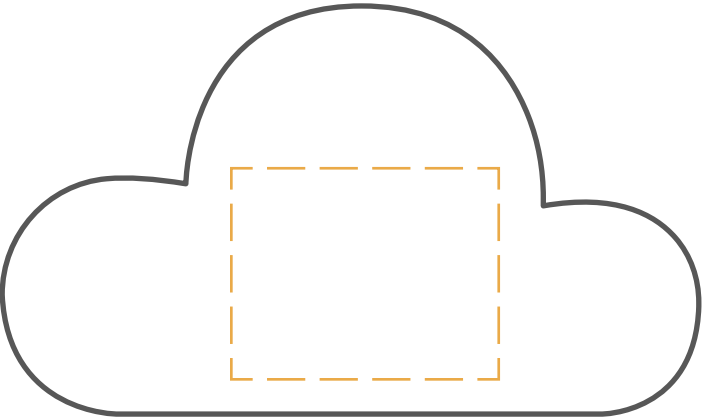

Introducing our Magnetic Key Holder! Organize your keys in a modern and functional way. This original cloud shaped Magnetic Key Holder has enormous strength, thanks to neodymium magnets embedded within the ABS body. The cloud has five magnets and will hold a lot of weight- not only restricted to holding keys! The Magnetic Key Holder can be used for storing stationary, like paper clips, metal rulers, pens and any magnetic objects! The Magnetic Key Holder is easy to install- simply peel off the adhesive tape and stick to any flat surface. Coming in three standard colours, Cyan, Yellow and White, the Magnetic Key Holder will add a modern touch to your office or home!
