# Double-Layer Reusable Face Mask

Washable | Comfortable | Full Colour Branding

Protect yourself and others with the Double-Layer Washable and Reusable face mask. Manufactured from elastic fibres (95% polyester and 5% elastane, with a 100% Polyester protective lining). The face masks have an extra protective layer capable of filtering small particles from the air to keep you protected. Supplied individually packed for a quicker and safer distribution. The masks can be full colour branded, allowing a seamless, bespoke and eye-catching finish for any brand.

- One size fits all with adjustable elastic ear loops (**Kids sizes available**)
- Lightweight and Comfortable, excellent double layer protection
- Mask will keep its shape, even after washing

## Breathable and Skin Friendly

- High-quality elastic fibres, filtering the air you breathe
- Double Layer protection protects against any splashes
- Soft and Skin Friendly, ideal for sensitive skin

## Washable and reusable

- Cheaper and more Environmentally Friendly than disposable masks
- These masks can be Washed and Reused Repeatedly
- Individually Packed for Safer Distribution

## Protective Face Mask

- **1x** Reusable microfibre face mask with adjustable straps
- **1x** Sealed plastic sleeve
- **Full Colour** branding available
