

Covid-19 Symptoms Alert Smart Band

Covid-19 Symptoms Alert

Health Fitness Tracker

Sports Tracker

Health Features

Spot the first signs of a virus like **Covid-19** with the Smart Health Wristband. The first thermal probing wristband on the market, collecting readings and displaying accurate results to find out your body temperature, heart rate, blood pressure and blood oxygen levels.

Body Temperature
Check your temperature to find out if you have a fever before it spreads.

Heart Rate
Monitor your heart rate during or after an intense workout.

Blood Pressure
Take a look at your blood pressure levels with mmHg readings.

Blood Oxygen
Measure your SP02 blood oxygen saturation levels at one touch.

More App Features

Download the **DayBand** app for all features, including exercise tracking, alarm options, phone-call controls and so much more.
