

TITAN PRO

Insulated Steel Tumbler 900ml with Straw & Handle

The viral sensation just got better- meet the TITAN PRO, a 900ml insulated steel tumbler that is soaring in popularity in schools, offices and on social media. Designed to be by your side all-day, the Pro will keep your beverages **hot for 6 hours and cold for 12 hours**, all within the sleek **food grade 304 Stainless Steel** shell. The flexible handle adds a practical touch for those on the move, with the **light-weight 450g** body making it easier and more comfortable to hold. **Enjoy your beverages in three ways-** a **pop-up straw** for cold drinks, a **pop-open sipping hole** for warm drinks and a **leak-proof screw lid** for anything in-between, and it makes cleaning and adding ice so much easier. The Titan Pro takes everything from the viral sensation and makes it better, delivering as an impressive tumbler with **full colour branding from top to toe**.
