

# Wheat Straw 4-in-1 Cable

## USB-A, Type-C, Micro-USB, & Lightning

Supporting all of your devices, the eco-friendly Wheat Straw 4-in-1 multi cable is the perfect product for charging up your gadgets. The flexible cables feature Type-C, Micro-USB and Lightning connections for devices, with a USB-A to connect to power. Wheat straw is the stalk left over after wheat grains are harvested and can be made into a premium food grade material, which is completely BPA free and has FDA approval. Wheat straw plastic is strong and eco, making it the perfect alternative to wasteful and environmentally damaging plastics. Print the multi cable with any logo and make it the perfect sustainable product.
