

WIRELESS NOTEBOOK

The Wireless Notebook - combining all of your daily needs into one compact business package. Whether you want to charge your devices or write down some notes, the Wireless Notebook has you covered. This notebook is full of surprises; featuring a flat 10,000mAh battery capable of both wired and Qi wireless charging with 4 LED battery light indicators, 4 separate compartments for cables and cards and a replaceable A5 notebook with pen holder.

The Smart Wireless Notebook is one of a kind - with a premium finish. The Notebook has a metallic plate on the front of the device which has 4 LED lights and a clickable power button. This metallic plate can be engraved with any brand logo within the branding area. This not only makes for an incredibly unique product, but also an eye catching product with a professional and customisable finish.
