

# 10000mAh MAGSafe Powerbank

with Built in Type-C & Lightning Cables and Stand

The 10,000mAh MagSafe Powerbank is designed for ultimate versatility and performance. It features 15W wireless charging with MagSafe compatibility and 2.5W charging for your Apple Watch, making it easy to charge all your Apple devices. Equipped with a built-in Lightning cable and a Fast Charging Type-C cable that supports both input and output, ensuring compatibility with various devices. The LED Digital Display keeps you informed of the powerbank's battery status, and the integrated phone stand offers added convenience for hands-free use. Compact and efficient, this all-in-one solution provides reliable, fast charging wherever you go.
