

Power Card 2-in-1 Power Bank

Type-C Cable with Lightning Adapter

Meet the 2-in-1 Power Card, a pocket-sized solution designed for everyday convenience. Featuring a built-in Type-C cable with a Lightning adapter, it offers seamless compatibility without the need for extra cables. Its sleek, compact design neatly houses the integrated cable within the frame, making it perfect for on-the-go use. Finished with full-colour branding options, it's the ideal choice for impactful promotional campaigns.
