

3-in-1 Folding Wireless *charging station*

- MagSafe Charging
- Apple Watch Charging
- Wireless Charging

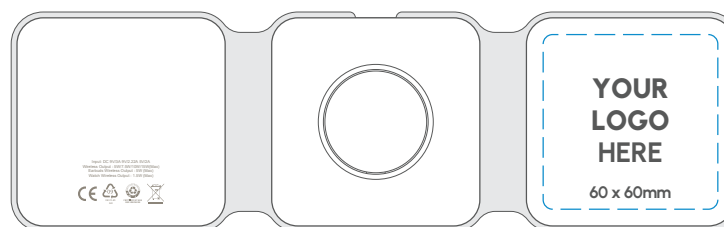

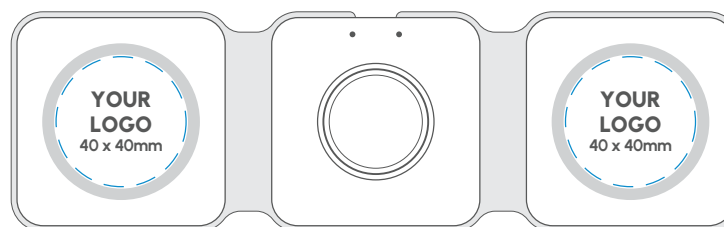

This compact and foldable 3-in-1 wireless charging mat is made from recycled plastic, offering a more sustainable way to keep your everyday devices powered. Designed for convenience at home, in the office, or while travelling, it features a dedicated watch charger alongside two wireless charging areas, including one magnetic charging surface compatible with MagSafe products. Delivering up to 15W fast charging, 5W earbud charging, and 2.5W watch charging, it provides efficient multi-device charging from a single compact unit.

The flexible foldable design allows for easy storage and portability, while the Type-C input ensures reliable power delivery. Finished with a modern soft-touch look and generous branding area, it's an ideal promotional tech gift for travel, business, and everyday use.
