

4,000mAh MagSafe *mini* Power Bank

The Mini MagSafe 4,000mAh Power Bank combines compact design with convenient everyday charging. Its smaller footprint sits neatly on the back of your phone, while MagSafe compatibility delivers up to 15W wireless charging effortlessly. A Type-C cable adds extra versatility, and its recycled material construction makes it a more sustainable choice. Finished with a smooth surface, it's perfect for vibrant, full colour branding that puts your logo in the spotlight.
