

Apex bottle

Double-Insulated Sports Bottle with Straw

Designed for active lifestyles, this 500ml insulated bottle is crafted from recycled stainless steel and finished with a durable black powder-coated finish for a premium look and feel. The sports swig sipper features a built-in straw with a moveable drinking spout, making it easy to stay hydrated during workouts, commuting or everyday use. A comfortable curved carry handle adds extra convenience for life on the go, while the generous branding area offers vibrant full colour print that keeps your logo front and centre. A stylish, practical promotional product built for everyday performance.
