

Handheld Cooling Fan with Turbo Ice Cooler

This compact yet powerful mini fan delivers impressive airflow with speeds up to 11,000 RPM, perfect for keeping cool at home, in the office, or on the move. With 5 adjustable wind speeds and an advanced ice ceramic cooling plate, it offers instant, refreshing relief in hot conditions. The fan features a 4000mAh rechargeable battery, built-in LED display for wind speed and battery level, and a multifunctional design that allows it to be worn, held, rotated, or placed on a desk. Sleek and versatile, it makes an ideal gift for summer comfort anywhere.
