

LIGHTSPEED MINI

LED 4-in-1 Cable with 65W Type-C PD Fast Charging

Designed for on-the-go charging, this compact 20cm multi-charging cable is ideal for everyday use. It features three integrated connectors, including a powerful 65W PD Type-C, a Lightning cable, and a dual-use Type-C cable with USB-A adapter, allowing easy charging and reliable data transfer across multiple devices. Made from 85.1% sustainable materials, it offers high-impact branding options with either full-colour print or an eye-catching LED glowing logo. Small enough to store in a pocket, laptop bag, or car console, this practical cable is ready for quick, hassle-free use whenever you need it.
