

LIGHTSPEED MINI PRO

LED 5-in-1 Cable with 65W Type-C PD Fast Charging with Lightning & 2.5W Watch Charger

Light Speed Mini Pro is a compact multi-charging cable designed for everyday convenience, combining a short-length, easy-to-store design with enhanced functionality for modern devices. Alongside multiple integrated connectors, it includes an additional Type-C cable and a 2.5W watch charger, allowing several devices to be charged from a single solution while supporting reliable data transfer where required. Made from 78.2% sustainable materials, Light Speed Mini Pro can be personalised with full-colour printing or a striking LED glowing design, making it a smart, space-saving charging solution for home, work, or travel.
