

Pocket-size Mini ICE Cooling Fan

Meet the ultimate pocket-sized cooling companion, a high-performance mini fan built for instant relief and standout promotional impact. A 29,000 RPM brushless turbo motor delivers powerful airflow, while the ice ceramic cooling plate blows noticeably cooler air for instant refreshment on the move. Stepless one-button control adjusts from a gentle breeze to a strong 20 m/s blast, all in a compact design roughly the size of a credit card, making it easy to carry anywhere. With an 1800 mAh battery providing up to 8 hours of runtime and USB-C fast charging, plus full-colour printing on both sides, it's a practical, high-impact brand you can take everywhere.
