

OXY CUP

THERMAL INSULATED DOUBLE-WALLED 304 STAINLESS STEEL

Thermal insulated double-walled 304 stainless steel in the iconic and recognisable coffee cup shape- the Oxy Cup is the ultimate reusable drinkware, keeping your beverage warm for 7 hours and cold for more than 10 hours. The outer layer of the cup is made from high-quality ABS, resulting in the best quality seamless print possible. The Oxy Cups lid features a useful handle and a closable drinking lid to ensure a spill-free experience. Thanks to the double-walled stainless steel, the Oxy Cup won't get hot in your hand and will ensure your beverage temperature stays regulated throughout the day. Popular seamless full colour wrap print gives the branding on the Oxy Cup endless potential for any brand.
