

Pocket-size Mini Camera

Capture big moments with a camera that's no bigger than a car key fob. This ultra-compact HD mini camera keyring delivers impressive performance in a pocket-sized design, recording 1080p video and capturing 12MP photos through a 130° wide-angle lens so you never miss the action. At just 26g—roughly the weight of a standard AA battery, it's light enough to clip onto keys, bags or lanyards for everyday carry. A fun and functional promotional gadget that blends novelty, practicality and tech appeal, making it perfect for events, giveaways and tech-focused campaigns, complete with full colour branding options for maximum brand visibility.
