

TITAN Insulated Steel Tumbler 1.1 Litre with Straw & Handle

Meet the Titan-a 40oz/1.1 litre insulated steel tumbler that became a viral sensation and soared in popularity on social media. Engineered for excellence, it keeps your beverages hot for 5 hours, cold for 10 hours, all within a sleek food grade 304 Stainless Steel design, and the sturdy handle adds a practical touch for those on the move. The BPA-free straw ensures a safe sip, with the option to twist the cover and reveal a drinking option without the straw. The Titan Insulated Steel Tumbler is more than just a viral trend, delivering as an impressive drinkware option with full colour print around the whole of the tumbler.
