

# *tide* Insulated Steel Water Bottle

Keep your beverage cold for up to 24 hours and hot for up to 18 hours with the Tide Insulated Steel Water Bottle. Combining the convenience of a plastic bottle with the eco-friendly benefits of a steel bottle, the reusable Tide bottle is perfect for schools, offices, travelling and any outdoor activities. The 304 premium double-wall insulated stainless steel bottle is a versatile drinking bottle with a generous 500ml capacity that will keep you hydrated on the go! Simply fill your bottle with your favourite hot or cold drinks; coffee, water or juice, and begin your day with your perfect travel companion.
